EVERYONE'S FAVOURITE AUNTIE

PAT WYNN

CELEBRITY

In the first of an irregular series, our roving reporter Phil McCavity tracks down Pat Wynn and says: "Thanks for the mammeries..."

We'd all love to have an auntie like 40 PLUS favourite, Pat Wynn, the bounciest, bubbliest, most glamorous granny in town. For years Pat was agony aunt to a popular men's magazine, then she went into video in a big way with appearances in the breast-selling **Bounce** series and **In With Auntie** (where her hardcore vibrator session with lusty Lynn Armitage caused many a vertical hold to give up the ghost!)

She was also the proprietor of the title establishment in **Misadventures At Megaboob Manor**, and a regular fixture of the Electric Blue **Megaboobs** series, where her wacking great wibbly-wobblers almost gave the EB cameraman two black eyes. Pat is getting on in years

now, and her age has almost caught up with her chest measurements, but we can tell from the stacks of mail that flood these offices every time we publish pictures of her that she still has a very

big following - as well as quite a lot in front!

Because of this we decided it was time to track Pat down for an exclusive interview. After considerable research (i.e. looking through the Yellow Pages under "Mature Ladies With Very Big Tits") we discovered that Pat doesn't actually live in Megaboob Manor, but rather inhabits the same genteel London suburb as Cynthia Payne. So it appears that if you want your bell rung then it might be a good idea to book yourself on a have-it-away-day to Streatham!

Now, whenever there's a big boob interview going, I like to handle them personally. I'm a sucker for them, in fact. Arriving at Pat's smart London home, I immediately rang

PAT WYNN

the doorbell (no, there weren't any knockers!) and was admitted by the lady herself, looking bright and glamorous in a white trouser suit, the top half of which bulged at the seams like a depth-charged
